

Letters from Tiff

Getting loose teeth can be very exciting for kids.

Here's a little letter from Tiff the Tooth Fairy for you to download and print. To make the Tooth Fairy's visit extra special, slip the note under your child's pillow.

Dear

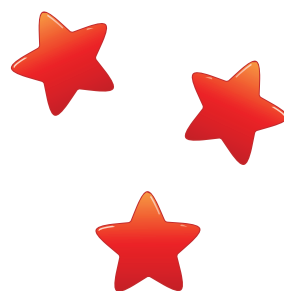

What an exciting day!
Now that your tooth has
fallen out, I have taken it to
plant in the tooth garden.

Your big teeth are coming
through now, so remember to
keep brushing.

Love from Tiff,
The Tooth Fairy
Tiff's Tooth Garden,

cut out around the
edges and slip under
your child's pillow!
